CONFERENCE THEME: "THE PAST, THE PRESENT AND FUTURE OF EDUCATIONAL RESEARCH IN EUROPE"

EERA is celebrating its 20th anniversary in 2014. This event offers an excellent opportunity to look back on the development and impact of educational research in Europe – as well as looking forward to its future. The EERA/ECER conference in Porto 2014 provides a time and space for the educational research community to be self-reflexive – to evaluate its strengths, weaknesses and possibilities.
